Head Quarter,  
King William's Town  
1<sup>st</sup> April, 1837.

I hereby authorize and appoint  
Mr. M. B. Shaw to act in my name as  
mediator between all the Native Tribes to  
whom a British Resident is not nominated,  
that Peace may be preserved; and I approve  
of the good understanding already effected by  
Mr. Shaw's judicious mediation with the  
great Jamboohie Chief "Ioi" and the Tsape  
Chief "Ludidi", by which war was honourably  
and discreetly avoided. — Mr. Shaw will  
impress upon all the Chiefs that their mutual  
good understanding will enable me to call  
upon

upon them to aid Her Majesty's Government  
in the suppression of the present wicked War,  
if called on by me through Mr. Shaw, to whom  
I thus delegate in these points my authority  
if hereafter necessary; and all the Chiefs are  
to regard the Enemies of the Queen of England  
their Enemies, and to act accordingly when  
called on.

Signed, W. G. Smith  
Governor.
